

# Ashtray Heart

Placebo

Cenicero, mi cenicero  
Mi corazón, mi cenicero  
[2x]

You are the birth and you are waste  
You are the one who took my place  
You took a jump into forever  
A leap of faith I could not take

And it was  
A leap of faith I could not take  
A promise that I could not make  
A leap of faith I could not take  
A promise that I could not make

Cenicero, mi cenicero  
My ashtray heart  
Mi corazón, mi cenicero  
[4x]

You were alone before we met  
No more folorn than one could get  
How could we know  
We had found treasure  
How sinister and how correct

And it was  
A leap of faith I could not take  
A promise that I could not make  
A leap of faith I could not take  
A promise that I could not make

Cenicero, mi cenicero  
My ashtray heart  
Mi corazón, mi cenicero  
[4x]

Cenicero, mi cenicero  
My ashtray heart  
Mi corazón, mi cenicero  
[4x]

I tore the muscle from your chest  
Used it to stub out cigarettes  
I listened to your screams of pleasure  
And I watch the bed sheets turn blood red

Cenicero, mi cenicero  
My ashtray heart  
Mi corazón, mi cenicero  
[4x]

Cenicero, mi cenicero  
My ashtray heart  
Mi corazón, mi cenicero  
[4x]
