## Placebo

I was never faithful  
And I was never one to trust  
Borderlining schizo  
And guaranteed to cause a fuss  
I was never loyal  
Except to my own pleasure zone  
I'm forever black-eyed  
A product of a broken home

I was never faithful  
And I was never one to trust  
Borderline bipolar  
Forever biting on your nuts  
I was never grateful  
That's why I spend my days alone  
I'm forever black-eyed  
A product of a broken home (Broken home)  
Black-eyed [repeat]
