

## Infra-Red

Placebo

One last thing before I shuffle off the planet,  
I will be the one to make you crawl,  
So I came down to wish you an unhappy birthday.

Someone call the ambulance..There's gonna be an accident.

I'm coming up on infra-  
red, there is no running that can hide you,  
'Cause I can see in the dark.  
I'm coming up on infra-  
red, forget your running, I will find you.

One more thing before we start the final face-off,  
I will be the one to watch you fall,  
So I came down to crash and burn your bagger's banquet.

Someone call the ambulance..There's gonna be an accident.

I'm coming up on infra-  
red, there is no running that can hide you,  
'Cause I can see in the dark.  
I'm coming up on infra-  
red, forget your running, I will find you.  
(find you)
