

Pure Morning

Placebo

A friend in needs a friend indeed,
A friend with weed is better,
A friend with breasts and all the rest,
A friend who's dressed in leather,

A friend in needs a friend indeed,
A friend who'll tease is better ,
Our thoughts compressed,
Which makes us blessed,
And makes for stormy weather,

A friend in needs a friend indeed,
My Japanese is better,
And when she's pressed she will undress,
And then she's boxing clever,

A friend in needs a friend indeed,
A friend who bleeds is better,
My friend confessed she passed the test,
And we will never sever,

Day's dawning, skins crawling [repeat three more times]
Pure morning, [repeat this three more times]
