

# Song To Say Goodbye

Placebo

You are one of god's mistakes  
You crying tragic waste of skin  
I'm well aware of how it's aches  
And you still won't let me in  
Now I'm breaking down your door  
To try and save you swollen face  
Though I don't like you anymore  
You lying, trying waste of space.

My oh my

A song to say goodbye  
Song to say goodbye  
A song to say

Before our innocence was lost  
You were always one of those  
Bless with lucky sevens  
And a voice who makes me cries

My oh my

You were Mother Nature son  
Someone to whom I could relate  
Your needles and your damage done  
Remains sort twist of fate  
Now I'm trying to wake you up  
To pull you from the liquid sky  
Cose if I don't will both end up  
With just your song to say goodbye

My oh my

A song to say good bye  
Song to say good bye  
A Song to say  
Before our innocence was lost  
You're always one of those  
Bless with Lucky sevens  
And a voice that makes me cry

It's a song to say goodbye  
it's a song to say goodbye  
it's a song to say goodbye  
it's a song to say goodbye

it's a song to say goodbye  
it's a song to say goodbye  
it's a song to say goodbye  
it's a song to say goodbye

it's a song to say goodbye
