

Where Is My Mind?

Placebo

With your feet in the air and your head on the ground
Try this trick and spin it! Yeahh!
Your head will collapse, but there's nothing in it
And you'll ask yourself?

Where is my mind?
Where is my mind?
Where is my mind?
Where is my mind?

Way out, in the water see it swimmin'

I was swimmin' in the Carribean
Animals would hide behind the rocks. Yeahh!
Except the little fish
But he told me east was west
Tryin' to talk

Where is my mind?
Where is my mind?
Where is my mind?
Where is my mind?

Way out, in the water see it swimmin'?

With your feet in the air, and your head on the ground
Try this trick and spin it! Yeahh!
Your head will collapse if there's nothing in it
And you'll ask yourself

Where is my mind?
Where is my mind?
Where is my mind?
Where is my mind?

Way out, in the water see it swimmin'
