

Without You I'm Nothing

Placebo

Strange infatuation seems to grace the evening tide
I'll take it by your side
Such imagination seems to help the feeling slide
I'll take it by your side
Instant correlation sucks and breeds a pack of lies
I'll take it by your side
Over saturation curls the skin and tans the hide
I'll take it by your side

Tick tock, tick tock, tick tock
Tick tick, tick, tick, tick tock

I'm unclean, a libertine
And every time you vent your spleen
I seem to lose the power of speech
Your slippin' slowly from my reach
You grow me like an evergreen
You never see the lonely me at all

I take the plan, spin it sideways I fall

Without you, I'm nothin'
Without you, I'm nothin'
Without you, I'm nothin'
Take the plan, spin it sideways
Without you, I'm nothing at all
