

**Aud.**

**Plain White T's**

Every once in awhile I know  
And it probably shows  
But every time I look into your eyes  
I see a world thats changing more and more  
I see world I've never seen before  
And I know and I know  
When I go to sleep at night  
I pull the blankets up tight  
I dream of times when I can hold you in my arms  
And I will look at you and you at me  
And we can be together permanently  
And I know and I know  
And I know that it must be Audrey,  
She's the only one for me  
And I know and I know  
And I know that I must be Audrey  
Yeah it must be Audrey  
Yeah it must be Audrey  
She's the only one for me  
She's the only one for me  
She's the only one for me  
She's the only one for me
