

Faster

Plain White T's

I'm just as nervous as you
But last night I took one look at you
And I got this feeling you're the right one, the right one
Now you don't know what to do
But time ticks away and you gotta choose
This is what it looks like
But you know which feelin is the right one, the right one
This is what it feels like

And this is your heart beating faster, faster
I'll lose my head, if you go to him
I'll lose my voice if you won't make a choice
Take me back tonight
And then I'll lose my mind if you won't take me back tonight

I hope I'm not pressuring you
That's the last thing I'd ever want to do
Cause you know which feelin' is the right one, the right
This is what it feels like
This is what it looks like
And this is your heart beating faster, faster

I'll lose my voice if you won't make a choice
I'll lose my head, if you go to him
And then I'll lose my mind if you won't take me back tonight
Take me back tonight, Take me back tonight

But you know which feelin' is the right one, the right one
I can't stand this, I can't just watch you get hurt
This is what it feels like
This is what it looks like

And this is your heart beating faster, faster
I'll lose my voice if you won't make a choice
I'll lose my head, if you go to him
And then I'll lose my mind if you won't take me back tonight
Take me back tonight, Take me back

I'll lose my head, if you go to him
I'll lose my voice if you won't make a choice
Take me back tonight, Take me back tonight, Take me back tonight
And then I'll lose my mind if you won't take me back tonight
