

Hate (I Really Don't Like You)

Plain White T's

Love love love love love love

You were everything I wanted
You were everything a girl could be
Then you left me brokenhearted
Now you don't mean a thing to me

All I wanted was your
Love love love love love love

Hate is a strong word
But I really, really, really don't like you
Now that it's over
I don't even know what I liked about you
Brought you around and you just brought me down
Hate is a strong word
But I really, really, really don't like you
I really don't like you

Thought that everything was perfect (perfect)
Isn't that how it's supposed to be?
Thought you thought that I was worth it
Now I think a little differently

All I wanted was your
Love love love love love love

Hate is a strong word
But I really, really, really don't like you (I really don't like you)
Now that it's over
I don't even know what I liked about you (liked about you)
Brought you around and you just brought me down
Hate is a strong word
But I really, really, really don't like you

Now that it's over you can't hurt me
Now that it's over you can't bring me down

Oh oh oh oh oh oh
Oh oh oh oh oh oh

All I wanted was your
Love love love love love love
