## Plain White T's

This will be the hardest part we may ever know I don't wanna leave, but we both know I have to go So don't you cry when we say goodbye, don't make this hard on me

Just close your eyes and kiss me before I leave

And just hold on, hold on to me And just hold on, hold on to me Don't let go

You are everything I have, everything I know
And even though you're here, you're with me everywhere I go
So don't you cry when we say goodbye, don't make me miss you mo
re

Cause this will always be worth waiting for

So just hold on, hold on to me Yeah just hold on, hold on to me

Even when it seems like you're alone, don't let go Cause every night I dream about you

This will be the hardest part we may ever know So just hold on, hold on to me
Yeah just hold on, hold on to me
Yeah just hold on, hold on to me
Girl just hold on, hold on to me
Girl just hold on, hold on to me
Yeah just hold on, hold on to me
Don't let go
