

Hollywood Love

Plain White T's

Do you wanna hear a story about a girl?
This ain't no fairytale,
21 and she already despises the world,
Never shy, never fair
And her mom didn't care,
And her dad wasn't there,
Unaware that his daughter might slip away.
Do you wanna hear a story about a girl?

She didn't want to know, Oh
But she couldn't say no, Oh
Hollywood love
Hollywood love
Hollywood love you,
If you gave her enough.

Do you wanna hear what happened to our little girl?
The queen she'll never be,
All alone never nobody cares in the world.
Not a loss or tragedy
Every man that she meets,
Pulls her hands to the sheets,
To the streets she just keeps running back again,
You don't wanna know what happened to our little girl.

She didn't want to know, Oh
But she couldn't say no, Oh
Hollywood love
Hollywood love
Hollywood love you,
If you gave her enough.

She don't love you,
She's above you,
She can't cry anymore.
No, she can't cry anymore.

She didn't want to know, Oh
But she couldn't say no, Oh
Hollywood love
Hollywood love
Hollywood love you,
If you gave her enough.
Hollywood love
Hollywood love
Hollywood love you,
If you gave her enough.
