Over nothing

Friday night's such a beautiful night Where you going? I didn't mean to blow it You're upset and I don't know what I said But I'm sorry Don't you give about me? Take off your jacket Don't walk out that door You and me We should be Making a memory whenever we're together, yeah Look at me Can't you see We were meant to be Making a memory Don't pretend you're not smiling again Let's just leave it You know I didn't mean it Don't know why we put up such a fight Over nothing When we could still be something Take off your jacket Don't walk out that door There's no need to leave anymore You and me We should be Making a memory whenever we're together, yeah Look at me Can't you see We were meant to be Making a memory Can't do this myself No, I need some help Wanted some help Friday night's such a beautiful night Now you're staying You and me We should be Making a memory whenever we're together, yeah Look at me Can't you see We were meant to be Making a memory Friday night's such a beautiful night (making a memory) Now you're saying (Making a memory) Don't know why we put up such a fight (making a memory) (Making a memory)
