

Maybe Another Day

Plain White T's

I haven't much I could give you in return
If you'd only see my point of view.
I don't need you.
I don't need you.
I don't need you.
I don't need you.
I don't need you.

If you would return, I don't know what I would say
But if you forgot it would be okay.
Maybe another day.
Maybe another day.
Maybe another day.
Maybe another day.
Maybe another day.

I'm telling you I can't be true?
I don't need you.
I don't need you.
I don't need you.
I don't need you.
I don't need you.

I try to hide but still you come my way.
I can't? stay
Maybe another day.
Maybe another day.
Maybe another day.
Maybe another day.
Maybe another day.
