

Radios in Heaven

Plain White T's

Your time has already come and I don't know why
The last thing that I had heard
You were doin' just fine
It seems like just yesterday
I was laughing with you
Playing games at Grandma's house
Well you taught me well, didn't you?
I hope I'm just like you

Do they have radios in heaven?
I hope they do
'Cause they're playing my song on the radio
And I'm singing it to you
And I'm singing it to you, you, you, you

You left before I had a chance to say goodbye
But that's the way life usually is
It just passes you by
But you can't hold on to regrets and you can't look back
So I'll just be thankful for the times that I had with you
I hope I'm just like you

Do they have radios in heaven?
I hope they do
'Cause they're playing my song on the radio
And I'm singing it to you
If they don't have radios in heaven
Here's what I'll do
I can bring my guitar when my time is up and I'll play it for you

Tell me can you hear me now
If not, then I can try to sing real loud
What's it like up on the other side of the clouds?
I hope I'm just like you
I hope I turn out to be as good as you
