Plain White T's

By now you should know everything you say  
Can and will be used against you some day  
I got the microphone so don't go too far  
Cause I'm gonna tell the whole world how you really are

I don't even care how you're gonna feel  
Cause I've already tried to give you something real  
So go ahead and get mad never talk to me again  
I don't even care cause I got my

Revenge  
Revenge  
Got my revenge

One night you're begging me to stay  
The next night you push me away  
I don't need you're promising to give it up  
Is too late cause now I'm giving up
