## Plan B

Yeah I know, I know, I know I've been bad  
I know I lied and I cheated in the past  
But I ain't capable of doing such wrong  
That justifies me being locked up this long

I ain't guilty of no crime  
Get these chains off me  
Can't risk doing no more time  
Please just set me free  
Everyday I go on  
I feel my heart getting colder  
I'm beggin' you please  
Yeah, yeah

You got me wrong  
I don't deserve this fate  
I'm not where I belong  
Not the kind of place  
Once he's mad at your fear  
I ain't meant to be here  
I'm meant to be free

Yeah I know, I know, I know I've been a fool  
I had everything and went and lost it all  
But I don't deserve this sentence on my head  
Especially when I never did what she said

I ain't guilty of no crime  
Get these chains off me  
Can't risk doing no more time  
Please just set me free  
Everyday I go on  
I feel my heart getting colder  
I'm beggin' you please  
Yeah, yeah

You got me wrong  
I don't deserve this fate  
I'm not where I belong  
Not the kind of place  
Once he's mad at your fear  
I ain't meant to be here  
I'm meant to be free  
Yeah, yeah, yeah

Time's such a precious thing  
We shouldn't waste it on little things  
Effect me won't get in the way  
Of what we need 'cause it just don't pay

I ain't guilty of no crime  
Get these chains off me  
Can't risk doing no more time  
Please just set me free  
Everyday I go on  
I feel my heart getting colder  
I'm beggin' you please

Yeah, yeah

You got me wrong  
I don't deserve this fate  
I'm not where I belong  
Not the kind of place  
Once he's mad at your fear  
I ain't meant to be here  
I'm meant to be free  
Yeah, yeah, yeah

I'm meant to be free  
Yeah, yeah, yeah, yeah  
I'm meant to be free  
Yeah, yeah, yeah, yeah  
I'm meant to be free
