I remember when I was young And so were you All of the things we both said That we'd never do

But look at how times have changed, baby You know I I can never say, no, baby I can only show you how

My love goes down, down, down
Yeah baby
Sweep your feet right off the ground

Yeah mama
I've got that real love for you now
Yeah baby
No, I got that real love for you now

I remember when I did you wrong Made you cry Made you feel so sad I knew I had to apologize

So I pulled you close, baby And I laid you down on the bed Took off your clothes, baby Girl, you know the rest

My love goes down, down, down Yeah baby Sweep your feet right off the ground

Yeah mama I got that real love for you now Yeah baby No, I got that real love for you now

Baby, can't you see?
You're the only one for me
Girl, you know it's true
I'm the only one for you, too

Love goes down, Oh girl, my love goes down, down, down Yeah baby Sweep your feet right off the ground

Yeah mama
I got that real love for you now
Yeah baby
No, I got that real love for you now
