Lemonade

Planet Funk

Suck your lemonade in the sun whens its hot and tropical you drip just like glue that sunlight's burning into you you're dripping all over suck your lemonade in the sun watch it run off your tongue suck your lemonade watch it run out of your pink tongue out of your pink tongue watch it run off of your pink tongue I see you melting up to the stuff on you're stereo with you're friends in the heat, in your Alpha Romeo you're dripping all over suck your lemonade in the sun watch it run off your tongue suck your lemonade watch it run out of your pink tongue out of your pink tongue watch it run off of your pink tongue creeping to the shame suck your lemonade you just suck your lemonade in the sun watch it run out your tongue suck your lemonade watch it run out of your pink tongue out of your pink tongue watch it run out of your pink tongue
