

Send It In A Letter

Planet P Project

Lady, are you on the line
Don't go away
Don't leave me, I'm running out of time
I'll be leaving here any day
Are you going with me
I gotta know
Babe, I can't let you go
I need an answer now
I need you
What you gonna do now

Send it in a letter
Or ship it by rail
Send it by telegram
Or rush it to me air mail
I don't want your sympathy
I only want you
So go on make your mind up
What you gonna do now
Send it in a letter
Believe me we're still the best
Don't let me go
Don't leave me forget the rest
Baby let me know
Are you with me
Babe, I can't let you go
I need an answer now
I need you
What you gonna do now
