

Come To Praise

Planetshakers

When I think of the way that He gave all for me
I just can't stop singing this song that I sing
He is so unbelievable take it from me
His love is irreplaceable it's all that I need

For everything He's done in me
All I wanna do is just praise Him
EVERYBODY!

I don't know what You've come to do
I've come to praise Him (praise Him, praise Him, praise Him)
It's just plain to see
That when I'm praising Him
I can't contain it
I can't hold it in

So who's got the praise?
We got the praise!
Who you giving your praise to?
JESUS!

Praise Him
Come on and praise Him

I don't know what You've come to do
I've come to praise Him
