

Everywhere I Go

Planetshakers

(Everywhere that I go
I will let the whole world know)

I cannot contain what
You've done in me
I can't stop lifting up
My praises to You
My Jesus

Everywhere I go
I will shout Your praises
Everywhere I go
I just can't contain it

You healed me set me free
You gave me a dream
Now I shout all about
The King of all kings
My Jesus

Everywhere that I go
I'm gonna shout it
Everyday of my life
I'm gonna shout it
