

Fall In This Place

Planetshakers

Take me to that place Lord
Where there's nothing else but me and You
Longing for Your presence
I know that You are calling me to You

Here I stand Longing for Your embrace
Nothing else could ever take Your place

Come Holy Spirit
Fall in this place
I need More and More of You

Fill me again with the
Power of Your Spirit
Lord I'm crying out for
More and more of You

Lord I'm Crying out
For more and more of You
