Great And Mighty

Planetshakers

I stand in this place and lift Up my eyes to see The glory of Your face

My God, how wonderful You are How beautiful Your name It calms the raging seas

With open arms I run into Your courts
I'll dance before You King of all the earth

You're great, great and mighty
King of glory, God of wonder
You're great, Ancient of Days
Keeper of my heart, lover of my soul

You are great and mighty You are great and mighty You are great and mighty You are great

You are great You are great
