

# I Want To See Jesus

Planetshakers

I wanna see Jesus  
I wanna see Jesus  
I wanna see Jesus lifted high in this place  
I wanna see Jesus  
I wanna see Jesus  
I wanna see Jesus lifted high in this place

Holy Spirit open my eyes  
To see His glory magnified  
To understand His awesomeness  
And the power of His name

Holy Spirit take unsure  
I give my life to You, oh Lord  
Surrendering every part of me  
Let Your Will be done

I wanna see Jesus  
I wanna see Jesus  
I wanna see Jesus lifted high in this place  
I wanna see Jesus  
I wanna see Jesus  
I wanna see Jesus lifted high in this place

Holy Spirit open my eyes  
To see His glory magnified  
To understand His awesomeness  
And the power of His name

Holy Spirit take unsure  
I give my life to You, oh Lord  
Surrendering every part of me  
Let Your Will be done

Holy Spirit open my eyes  
To see His glory magnified  
To understand His awesomeness  
And the power of His name

Holy Spirit take unsure  
I give my life to You, oh Lord  
Surrendering every part of me  
Let Your Will be done

Glory, glory  
Glory to the Risen One  
Glory, glory  
Glory to the Risen One  
Glory, glory  
Glory to the Risen One  
Glory, glory  
Glory to the Risen One

Holy Spirit open my eyes
