

# Majesty

Planetshakers

Rising, I feel my heart sing,  
His praises, our Lord and King,  
The wonder, the majesty,  
Welcome, the King of glory in,

Every tribe and tongue,  
Every land will sing your praise,  
Till the end of time, we'll sing,  
Majesty

All majesty, to the God of creation,  
All majesty, God of all generations,  
This anthem we sing, to the God of all nations,  
All majesty, we sing,
