

I will bless You Lord  
My Saviour I worship You  
Jesus You are my one desire  
I live for You

The nations will turn to You  
They'll bow down in worship  
The heavens declare that You are  
King of all the earth

Holy Holy  
Lord God Almighty  
Forever I will worship You  
I will worship You  
Holy Holy  
Lord God Almighty  
Forever I will worship You  
I will worship You  
My King

I will enter Your courts  
With praises, all of my days  
There's no greater will more than  
Just to see Your face

Holy Holy  
Lord God Almighty  
Forever I will worship You  
I will worship You  
Holy Holy  
Lord God Almighty  
Forever I will worship You  
I will worship You  
My King
