

## Save Australia

Planetshakers

Save our nation Lord  
There's nothing we want more  
This land of hopes and dreams  
Lord bring us to our knees

Hear our cry oh Lord it's time  
Heal this land Lord send Your fire

Save Australia  
Pour Your Spirit out  
On this nation  
Send revival to this land

Do it through us  
Do it in me

Bless this sun burnt land  
With Your mighty hand  
Take our hearts and lives  
So all may know Your Love

Save our nation
