

## So In Love With You

Planetshakers

God I've found in You  
Everything I was searching for  
And You've given me  
What I needed and so much more

So I'm giving every part of me to You  
Won't You take my life I'm living it for you

Jesus I'll live for You  
In everything I Do  
And when You call my name  
I just can't help but sing Your praises

I'll give You all my praise  
I'll serve You all my days  
Gonna let the whole world know  
Jesus I am so in love with You

Every day it's You I live for  
Gonna serve You all my days  
Every step I take You're with me  
Jesus You're the only way
