

## To You I Sing

Planetshakers

I will bless Your name  
Forever proclaim the wonders of God

I surrender my all  
In worship of the King  
Of all the earth

I will sing of Your greatness  
I will sing of Your love  
Let me sing of the Lord  
You are the one

Lover of my soul  
Strength you make me whole  
Lord I give my life and offering  
Healer of my heart  
Gave me a new start  
Lord I give my life and offering  
To You I sing

You are my Everything  
And I'll forever sing Your praise  
For all my days

I will sing of Your greatness  
I will sing of Your love  
Let me sing of the Lord  
You are the one

Lover of my soul  
Strength you make me whole  
Lord I give my life and offering  
Healer of my heart  
Gave me a new start  
Lord I give my life and offering  
To You I sing
