

Worthy Is The Lamb

Planetshakers

You're holy, You're righteous
Great in majesty
Angels bow down giving glory
To the King of kings
And we sing blessing and honor
And we sing holy is the Lord almighty

Worthy is the Lamb
Majesty and power
To the name above all names
Glory to the King
We will sing forever
Holy is the Lord

All glory, all honor, all power to You God forever
All glory, all honor, all power to You God forever
All glory, all honor, all power to You God forever
All glory, all honor, all power to You God forever
And we sing blessing and honor
And we sing holy is the Lord almighty
