

## Break Of Dawn

Plankeye

this tailored life i cannot breathe  
there's something hidden something suffocating me  
i wanna know i gotta know  
is it my pentium this thing is way too slow  
my perfect life like in a dream  
i started thinking that it wasn't what it seemed  
i gotta know i wanna know  
please won't you tell me where it is that i should go  
we'll move ahead we're moving on  
until we see the break of dawn  
this pot of gold this holy grail  
sometime's it starts to feel more like a fairy tale  
you told me once tell me again  
that everything is gonna be just like you said  
we'll move ahead we're moving on  
until we see the break of dawn
