

It's Been So Very Long

Plankeye

I'm gonna leave this place, I swear this time I'm running home
I know this place too well that promises I'll be alone
Somewhere between here and there and back and forth I'll come a
round

It's what I want to tell you...

It's been so very long since I've been man enough to be the kin
d of man...

If I'm gonna hold your hand

I was reminded of the lack of who I am, I swallowed hard

And in the night I took a firefly for a shooting star

I watched the sun come up and burn away this feeling over me

It'll be okay...you'll see
