

## Barcelona

Plasticines

You can use anyone,  
But it won't be long  
'til somebody finds there's something wrong.  
Now, four seasons have passed  
Buried at last, and covered in ash  
Our love is gone.

Say whatever you want, but the beat goes on  
I's better for us to stay away  
Wait, I have enough faith, courage and strength,  
just to move on and meditate.

Let's get down in Barcelona,  
I like romancing, but I don't wanna  
Let's get down in Barcelona,  
tonight we're dancing like no tomorrow.

Now, just like before, we're both on the floor,  
and we will get out of this another time  
And, as we're shaking hands, we understand,  
you go your way and I go mine.

Let's get down in Barcelona,  
I like romancing, but I don't wanna  
Let's get down in Barcelona,  
tonight we're dancing like tomorrow..  
Let's get down in Barcelona,  
I like romancing, but I don't wanna  
Let's get down in Barcelona,  
tonight we're dancing like tomorrow..

Falling down, falling down,  
touch the ground, touch the ground  
Going mad, going mad, not too bad, not too bad!!!

Let's get down in Barcelona,  
I like romancing, but I don't wanna  
Let's get down in Barcelona,  
tonight we're dancing like tomorrow..  
Let's get down in Barcelona,  
I like romancing, but I don't wanna  
Let's get down in Barcelona,  
tonight we're dancing like tomorrow..
