

Lost In Translation

Plastiscines

Hiding
Crashing
I never stop
You never
Action
Friction
Superstitions

Where I was
I don't know
Maybe lost in illusions
Where I am
Oh I should know
I am Lost in Translation (2x)

Walking
Running
I never stop, you never
Action
Friction
Superstitions

Where I was
I don't know
Maybe lost in illusions
Where I am
Oh I should know
I am Lost in Translation (3x)

Where I was
You don't know
Maybe lost in illusions
Where I am
You should know
I am Lost in Translation
