

# Lost In Translation

Platiscines

Hiding  
Crashing  
I never stop  
You never  
Action  
Friction  
Superstitions

Where I was  
I don't know  
Maybe lost in illusions  
Where I am  
Oh I should know  
I am Lost in Translation (2x)

Walking  
Running  
I never stop, you never  
Action  
Friction  
Superstitions

Where I was  
I don't know  
Maybe lost in illusions  
Where I am  
Oh I should know  
I am Lost in Translation (3x)

Where I was  
You don't know  
Maybe lost in illusions  
Where I am  
You should know  
I am Lost in Translation
