Runnaway

Plastiscines

Two strangers sharing eyes A look that you recognize Like a diamond in the sky Like a shadow in the night

You say you say you wanna runaway Like a dog wrapped up in chains Like a midnight masquerade A feeling that you can't explain

Runnaway let's runaway Runnaway we gotta runaway

Come on baby let's runaway Leave the world behind us Cut our hair and change our names And nobody will find us

I see the future in your eyes Like a truth wrapped up lies Like a devil in disguise I see the darkness in your light

Runnaway let's runaway Runnaway we gotta runaway

Come on baby let's runaway Leave the world behind us Cut our hair and change our names And nobody will find us

Runnaway-way-runnaway-way-runnaway Runaway We gotta runaway

Come on baby let's runaway Leave the world behind us Cut our hair and change our names And nobody will find us

Come on baby let's try it We got no reason to fight it And you know that you need it We can keep it a secret
