

# Time To Leave

Plastiscines

Go ahead you wanna see it better  
Everyday you wanna go go further  
There is nothing nice around me lover  
Nothing here to stand for

Every every everday  
You hold me tight, you hold me tight  
Every every Everday  
You hold me tight, you hold me tight

I just don't want to let it go  
I just don't want to let him know  
I just don't want to let it go

Bye bye baby  
It's time to leave (2x)  
Bye bye baby  
It's time to leave (2x)

Go ahead it is hard to go go go through  
I see the dark night but not you  
Everything here is played out of time  
Nothing seems to be mine

Every every Everday  
You hold me tight, you hold me tight  
Every every Everday  
You hold me tight, you hold me tight

I just don't want to let it go  
I just don't want to let him know  
I just don't want to let it go

Bye bye baby  
It's time to leave (2x)  
Bye bye baby  
It's time to leave (2x)

I'll find my way to walk away  
I'll find my way to walk away  
Every every Everday

Bye bye baby  
It's time to leave (2x)  
Bye bye baby  
It's time to leave (2x)
