

Under Control

Plastiscines

I'd love to see the other side of me
I'd love to see how things gonna be

Take it easy
I wish I could take it easy
Take it easy
Everything is under control

Everything is under control
Under control
Under control (2x)

Everything is under control (2x)

Oh ah (5x)

I'd love to see the other side of me
I'd love to see how things gonna be

Take it easy
I wish I could take it easy
Take it easy
Everything is under control

Everything is under control
Under control
Under control (2x)
Everything is under control (2x)

Oh ah (20x)

Everything is under control
Under control
Under control (4x)
