

# All Fall Down

Platinum Blonde

Daddy doesn't tell your mommy everything  
And when he gets home it'll be the same thing  
And what Mommy doesn't know  
Won't hurt her in the end  
And then those little lies hit you  
Right between the eyes again

Mommy thinks she's getting on  
Tries out a new life  
But Daddy doesn't notice 'cause he's out  
On the night lights  
And it's tearing out her heart  
Turning love stains into fear  
And it's killing all those dreams  
All those hopes we held so dear

And when your world falls down  
Don't lean on me  
And when your world falls down  
Don't lean on me

Don't take your lies (repeat x16)

Daddy doesn't tell your mommy everything  
And when he gets home it'll be the same thing  
And what Mommy doesn't know  
Won't hurt her in the end  
And then those little lies hit you  
Right between the eyes again

And when we all fall down  
Don't lean on me  
And when we all fall down  
Can't lean on me  
And when we all fall down  
Don't lean on me  
And when we all fall down  
Don't blame it on me  
And when we all fall down  
Don't lean on me  
And when we all fall down  
Don't lean on me  
And when we all fall down  
All fall down, yeah  
And when we all fall down  
All fall down
