

Picture Perfect

Platinum Weird

Picture perfect
I wanna believe in
Picture perfect
I wanna believe that
Everything is worth it

Picture perfect
I wanna believe in
Picture perfect
I wanna believe that
That my life is worth it

It's a long way back
To happy faces
Familiar places

I took a wrong turn south
But now I'm learning
The North Wind's burning, burning
Take me back, take me back, take me back

Picture perfect
I wanna believe in
Picture perfect
I wanna believe that
Everything is worth it

It's a long way back
To happy faces
Familiar places

I took a wrong turn south
But now I'm learning
The North Wind's burning, burning
Take me back, take me back, take me back

It's a long way back
To happy faces
Familiar places

I took a wrong turn south
But now I'm learning
The North Wind's burning, burning
Take me back, take me back, take me back
