Buzz me up to heaven baby  
Come on, buzz me up to heaven

I've been missing you I should be kissing you  
Honey to the Bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the Bee that's you for me  
Honey to the Bee that's you for me  
Honey to the Bee.....

I close my eyes and I see you clear  
It feels like you're lying here  
All the things I want to say come and go  
Easy as the breeze those words just flow

I float on air light as a feather  
Your love so sweet like an open flower  
I'm dizzy from the time we spent together  
I need that honey drip every hour

I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your finger tips  
Baby don't stay away from me for too long

I've been missing you I should be kissing you  
Honey to the Bee that's you for me  
I wouldn't tell a lie got a love I can't deny  
Honey to the Bee that's you for me  
Honey to the Bee that's you for me  
Honey to the Bee

Mmmm Mmmm Mmmm

Come on, buzz me up to heaven

You make me smile though you're far away  
I hear your voice like it was yesterday  
all the things you do to make me feel so fine  
I gotta tell the world about a love thats mine

These wings to fly are gonna last forever  
Cos one by one my dreams come true  
And I touch the sky whenever we're together  
I can't believe the joy I get with you

I'm thinking about your sugar lips  
Got a feeling for you now that's so strong  
I'm dreaming of the candy in your finger tips  
Baby don't stay away from me for too long
