

Some girls try to compete with me  
Lifestyle, that's what I used to be  
Had to have everything I wanted  
And have it my way  
Step back and take a good look at me  
I'm more than what you claim me to be  
Gimme some time and I can tell you what I know

Did you learn a thing?  
Gotta be a leader, can't be a crowd pleaser  
Would you do it again?  
Not the same way, got too much to say  
Can you make it raw?  
I did it before, I can do it once more  
Take it to the floor  
Ain't a thing to me 'cause baby don't you know I'm  
I'm hot

Ain't nobody gonna get what I got  
Taking hold of the game why not?  
Tell me can you handle it?  
I'm a hot girl, you need a hot girl  
So hot  
Raising the pressure when I blow up this spot  
Keep it tight wanna see what you got  
Tell me can you work with it?

I'm a hot girl, you need a hot girl  
All my hot girls who need a hot boy say "uh-oh uh-oh"  
All my hot boys who need a hot girl say "uh-oh uh-oh"

Sometimes, I just can't help myself  
So fly, gotta express myself  
I can be more than just a girl  
I'm better than you know  
I'm the lock to fit with your key  
And I'll be greater than fantasy  
Ain't no stoppin' when I've started no...
