Just A Little

Uh-huh
hey hey
Hmm

lately, I been tryin' to ask you boy
if maybe, I can get much closer to you
I like the way that you move

Oh yeah

And you're so innocent
Please don't take this wrong cos it's a compliment
I just wanna get with your flow
You've gotta learn to let go

Oh baby, won't you

Work it a little
Get hot, just a little
Meet me, in the middle
Let go, just a little bit more (just a little bit more)
Gimme just a little bit more

(Just a little)

Let me, I'll do anything if you just let me
(Come on baby)
Find a way to make you explore
I know you wanna break down those walls
Yeah
And its so challenging
Getting close to you, what I'm imagining
I just wanna see you get down
You gotta let it all out

Oh baby, won't you

Work it a little
Get hot, just a little
Meet me, in the middle
Let go, just a little bit more (let go just a little)
Gimme just a little bit more (gimme just a little bit more)

Work it a little
Get hot, just a little (just a little bit)
Meet me, in the middle
Let go, just a little bit more (oh , just a little bit more)
Gimme just a little bit more

(Just a little)

It's so exciting, the way your inviting me
(I know you really like it like that, ah)
I can't get enough, won't you satisfy my needs
will you? will you?

Work it a little

Get hot, just a little
Meet me, in the middle
Let go, just a little bit more (just a little bit more)
Gimme just a little bit more
(Just a little bit more, just a little bit)

Work it a little
Get hot, just a little
Meet me, in the middle (in the middle let go)
Let go, just a little bit more
Gimme just a little bit more (oh , just a little bit more)

Work it a little
Get hot, just a little
Meet me, in the middle (in the middle let go)
Let go, just a little bit more
Gimme just a little bit more (oh , just a little bit more)
