

# Not The One

Play

Could you stop for a minute  
I can't take another second  
Of you sitting here trying to explain  
What you did and why you did it  
I beg of you to admit it  
Your apologies are in vain

So tell me  
You didn't mean to hurt me  
You don't want to make me cry  
But not another single tears will leave my eyes

Believe me  
Things are outta hand  
What don't you understand  
You're not the one  
Believe me  
Take your things and go  
Here's what you need to know  
You're not the one

Just stop feeling pity  
It's not really pretty  
Where is your self-respect  
You got scared of going steady  
Now you said that you're ready  
But you had some time to reflect  
You tell me you didn't meant to hurt  
Like you didn't believe your own lie  
You'll never get the chance to make it right

Believe me  
Things are outta hand  
What don't you understand  
You're not the one  
Believe me  
Take your things and go  
Here's what you need to know  
You're not the one

Guess you don't know you had  
Until everything is gone  
Oh it's sad  
How it comes back around  
And we're nigh at letting go  
And you keep holding on  
So please prepare yourself  
The pain and ohhhhhh  
Ohhhhhhhh yay

Believe me  
Things are outta hand  
What don't you understand  
You're not the one  
Believe me  
Take your things and go  
Here's what you need to know

You're not the one

Believe me  
Things are outta hand  
What don't you understand  
You're not the one  
Believe me  
Take your things and go  
Here's what you need to know  
You're not the one

You're not you're not the  
You're not you're not the  
You're not the one for me  
Believe me  
Things are outta hand  
What don't you understand  
You're not the one  
Believe me  
Take your things and go  
Here's what you need to know  
You're not the one
