Sleigh bells ring
Are you listening
In the lane
Snow is glistening
A beautiful sight
We're happy tonight
Walking in a winter wonderland

Gone away is the bluebird Here to stay is the new bird He sings a love song As we go along Walking in a winter wonderland

In the meadow we can build a snowman Then pretend he is Parson Brown He'll say: Are you married? We'll say: No man But you can do the job When you're in town

Later on
We'll conspire
As we dream by the fire
To face unafraid
The plans that we've made
Walking in a winter wonderland

In the meadow we can build a snowman Then pretend he is Circus Clown we'll have fun with mister snowman until all the kids knock him down

When it snows aint it thrilling Though your nose gets a chilling We'll frollic and play The eskimo way Walkin in the winter wonderland Wslkin in the winter wonderland walkin in the winter wonderland.
