Playboy Like Me

Whoa, babygirl You ain't been with someone like this Had chills like this Tell me how would it feel You know what

Bet you ain't never Never met a playboy like me I'll lick you from head to toe First thing in the morning, morning Before you know it Girl you be shaking at the knees I know my love's off the hease You better believe it shorty You can say I'm like drugs Cause after I've given my love Girl I bet you be fiending, fiending I have them things Recognize that I am that man I hope you've been peeping game I'm trying to tell you baby

I know you ain't never Met a playboy like me I know cause you cuss a lot And with me you're smiling, yeah My love don't play (This is your lucky day) Ooh girl I can hardly wait Wait to see you shorty And so it seems (You've been moping around) Don't let yourself get you down (Don't get discouraged baby) Ooh baby I got you (Better days headed your way) I think we should celebrate I bet you ain't ready baby
