

Together

Playa

Have you ever been on a roller coaster ride
(I'll take you, girl I'll take you)
'Cause see my love will get you up and down and side to side, yes
(I'll lace ya, sho 'nuff lace ya)
And have you ever been alone and had to touch yourself, yes
(I'll make ya, girl I'll make ya)
Even when you thought we were through oh, I'll taste you
(I'll taste ya, taste ya)

I can see you and me openly
Together
And I don't care who knows about it now
We're on my mind
(On my mind)
All the time
(All the time)
Together, yeah
(Together, yeah)

Baby girl, you know I came to please so tell me, could you tell me
(Your pleasure, what's your pleasure)
And I love it when you put on your sexy lingerie
So I can see ya, come on let me see ya girl
(That body, work that body)

And in a crowded room
Oh, you never shy away, my sugar, oh give it to me girl
(My sugar, where's my sugar)
They say soon that I'll get tired of you
But how could I, oh
(I'll never, never, never)
I can see

I can see you and me openly
Together
[Incomprehensible]
We're on my mind all the time
Together, yeah
(Baby, baby, baby, yeah)

I can see you and me openly
Together
And I just don't care who knows, I just don't care
We're on my mind all the time
Together, yeah
(Can't get you out of my mind girl) [Incomprehensible]

In the midnight hour when we lay in bed
(Don't I make it feel so good to you, 'sho nuff good to ya)
I can't help but to be satisfied
(Ya full of the good lovin', sho'nuff good lovin)
I can hardly wait, no I can't
(I'm not gonna wait until my last chance)
I can't wait baby, no I can't
(I love ya, love ya, love ya)

I can see you and me openly

Together
I don't give a damn who knows about it baby
We're on my mind all the time
Together
I don't give a damn, I don't give a damn

I can see you and me openly
Together
We're on my mind all the time
Together

You and me openly
Together
We're on my mind all the time
Together

I can see you and me openly
Together
