

In Like Flynn

Player

I want to be like Errol Flynn,
I want to be that kind of guy.
I want to be that handsome devil,
I want to make the ladies cry.
Make love, love on the border,
Cross swords on the Spanish Main.
I want to be like Errol Flynn was.

I want to be like Errol Flynn,
I want to make the highbrows frown.
I want to cut a dashing figure.
I want to have to tie it down.
Live life just like the movies
And never know the price of fear.
I want to be like Errol Flynn was.

I'd wear a thin mustache and wavy hair
And I would face the world without a care
Like Robin Hood and Captain Blood.
I want to be like Errol Flynn was.

I'd wear a thin mustache and wavy hair
And I would face the world without a care
Like Robin Hood and Captain Blood.
I want to be like Errol Flynn.

I want to be like Errol Flynn was.
I want to be that kind of man.
I want to be that daring fellow
Take it any way I can.
I want to live for half a centry
But be 100 when I die.
I want to be like Errol Flynn was.
I want to be that kind of spy.
I want to be that kind of guy.
I want to be that kind of guy.
