

Prisoner Of Your Love

Player

Something's got a hold on me,
Something deep inside
I know that I should try to run,
But I feel my hands are tied
I don't know where you came from,
But you found your way to me
I don't ever wanna be set free

Woman black as coal, sister to the night
Stroke my body, touch my soul,
Make me feel alright
I don't know just what you want,
But you got your mark on me
It's become so very plain to see

I'm a prisoner of your love
I don't wanna be set free
I'm where I wanna be, yeah
You're the keeper of my soul
You got complete control
Lock the door and throw away the key, yeah

Every night I feel the love flowing through my veins
I know my body's free to leave
But my heart's tied up in chains
Girl, you've got the best of me
Don't know what to do
Might as well resign myself to you

I'm a prisoner of your love
I don't wanna be set free
I'm where I wanna be, yeah
You're the keeper of my soul
You got complete control
Lock the door and throw away the key, yeah

Oh, Let me be the only star of your fantasy
It took me time to realize I'm where I wanna be
Safe inside your paradise, leave the world behind
I'm just a prisoner of your love

I'm a prisoner of your love
I don't wanna be set free
I'm where I wanna be, yeah
You're the keeper of my soul
You got complete control
Lock the door and throw away the key, yeah
